

3RD ANNUAL PHILIP L. RABADI MEMORIAL GOLF TOURNAMENT

The beautiful weather on Saturday, August 24th, along with the lush green course at VanPatten Golf Club in Clifton Park, was the perfect backdrop for the **3rd Annual Philip L. Rabadi Golf Tournament** organized by the [Phil with Love Foundation](#).

The field was full, with over 200 golfers and a dozen spectators. The day included 18 holes of golf (with some friendly competition), food and drink samples throughout the course, and on the clubhouse patio from sponsored vendors, a silent auction with fabulous trips around the world, and a raffle with more than two dozen packages.

This memorable event brought friends, family, and golf lovers together for a fun day, but more importantly, to celebrate Philip's beautiful life, immeasurable legacy, and limitless love.

Proceeds from the tournament will benefit nearly a dozen local non-profits, **including Equinox**, that are near and dear to the hearts of the Rabadi family.

Many thanks to Philip's parents, Shaw and Tori Rabadi, his siblings Brendan and Lexi, and his wife Ellie for sharing Philip's legacy with us, and for their heartfelt generosity.
